

Palmer Lake Exterior House Paint Colors:

The following colors have been approved by ARC or were original builder colors. SW stands for Sherwin Williams. No particular brand of paint is required, so owners can match other brands similar to below.

ARC requests for paint colors should include detail of the paint color name and manufacturer's code similar to below. A description of what color will be on each section of house should be included. For example: Main body, accents, garage door, front door, aluminum fascia.
